Hugh Gaitskell PRIMARY SCHOOL

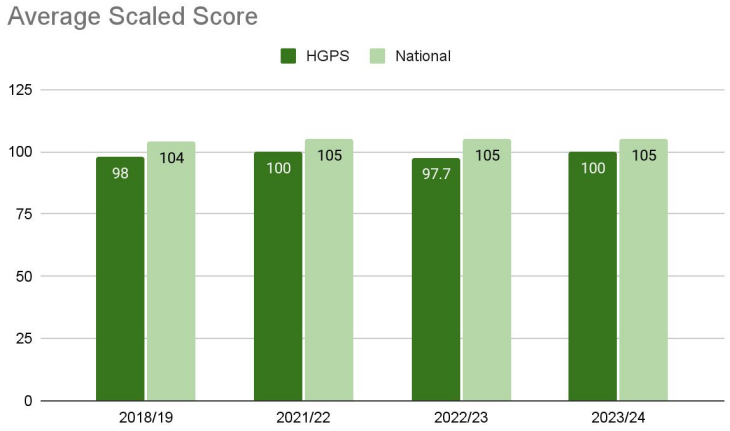

One World, One School

Key Stage 2 - Summer 2024 SATS Reading Results

**Scaled scores range from 80 to 120. A score of 100 or more achieves the expected standard. A high score is 110 or more.*

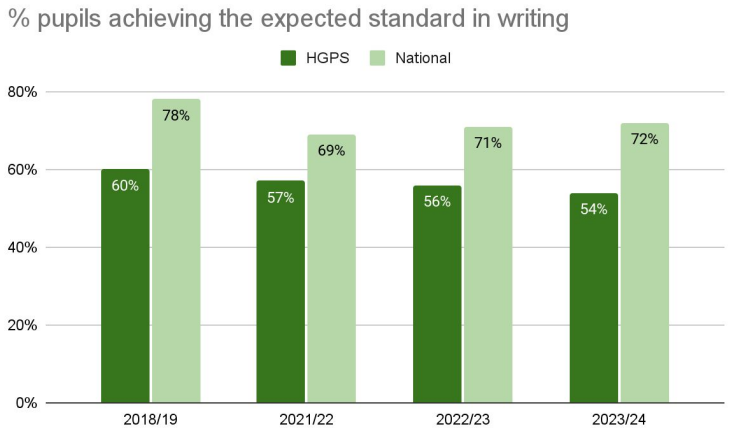

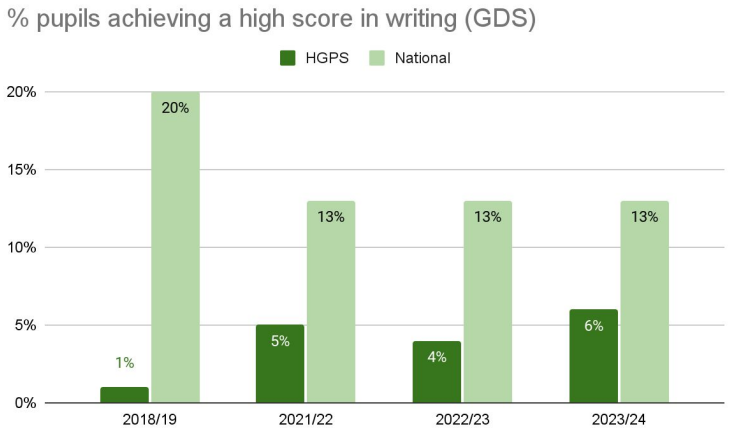

2024/25 Reading Initiatives:

- **'Faster Reading' trial** in school as recommended by Mary Myatt
- **New Group Reading Test (NGRT)** - detailed analysis of reading accuracy, reading rate and comprehension
- **Termly NFER online testing** in Key Stage 2 - to assist with gap analysis
- **'Bringing a book to life using drama'** (P. Beier)- staff CPD and termly pupil workshops to increase vocabulary and reading comprehension
- Elevate and re-establish the **Talk Matters** initiative
- **New books**- following guidance on books children should read before they leave primary school
- **Leeds Library Service** to enhance our school libraries & increase pupil engagement
- Our exclusive **British Library Partnership** - as the 'Leeds flagship school'
- Resident **actor** (every Thursday) to provide specific 'expert' opportunities for speaking in role, empathising with characters and building vocabulary
- **Bookworm Initiative (daily 1:1 reading)** to accelerate progress in reading for targeted pupils (lowest attaining pupils)

Key Stage 2 - Summer 2024 Writing Results

**Writing attainment is teacher assessed (not via externally-marked testing)*

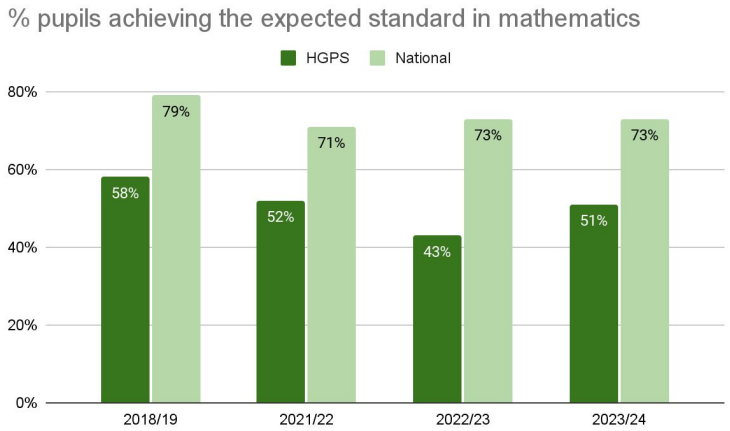

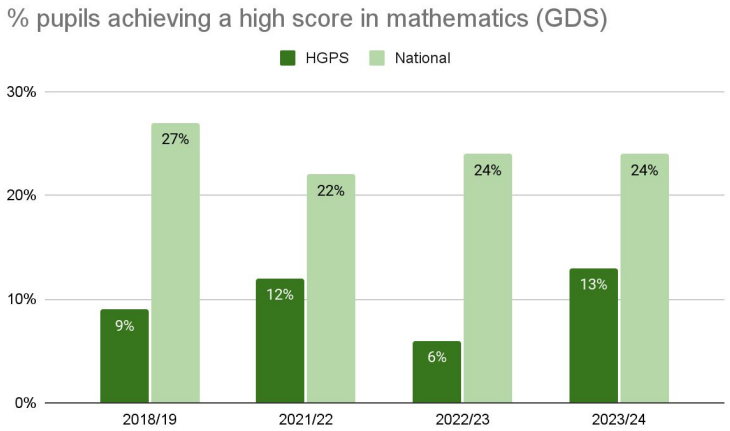

2024/25 Writing Initiatives:

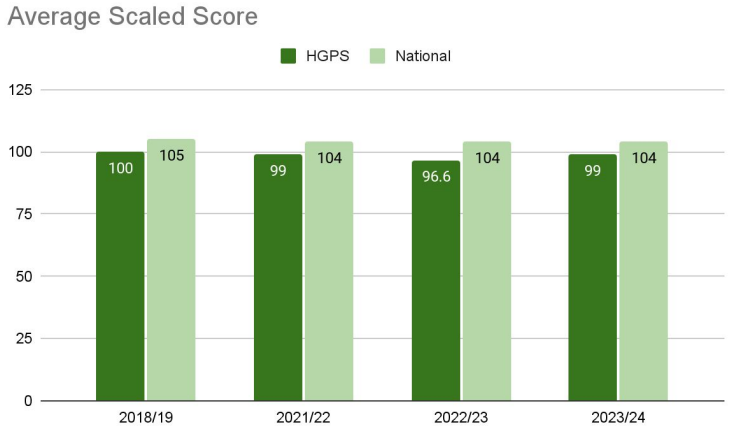

- **'Bringing a book to life using drama'** (P. Beier)- staff CPD and termly pupil workshops to increase vocabulary, reading comprehension and understanding of characters and plot
- Heighten the focus on the **Talk Matters** initiative
- Resident **actor** (at school every Thursday) to provide specific 'expert' opportunities for speaking in role, empathising with characters, building vocabulary and to provide memorable experiences
- **Bespoke interventions** targeting children who have been identified as having difficulties with specific Literacy Difficulties such as: Dyslexia, dyscalculia and general cognition and learning difficulties. These include:
    - General resourced boxes for dyslexic tendencies in class
    - Phonological awareness daily packs
    - Nessy intervention for reading and spelling delivered by TAs
    - Phonological Awareness intervention
    - Active Literacy Kit
    - Specialist teaching for children with SpLD dyslexia.
    - Plus 1 and Power of 2

Key Stage 2 - Summer 2024 Mathematics SATS Results

**Scaled scores range from 80 to 120. A score of 100 or more achieves the expected standard. A high score is 110 or more.*

2024/25 Mathematics Initiatives:

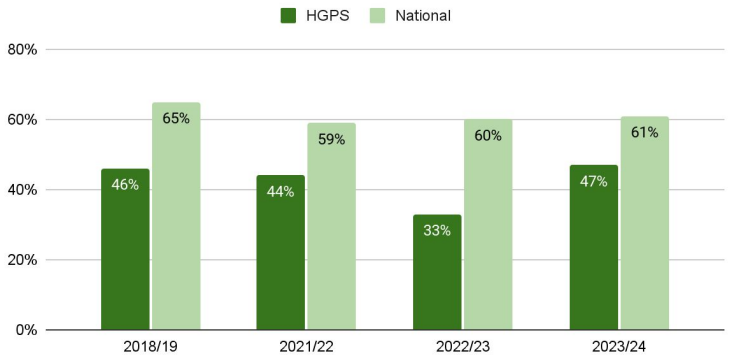

- **A carefully-designed maths curriculum known as the 'Dive-in' approach** to teaching and learning to be embedded across school by the end of the Autumn Term - children build on prior learning with regular recapping of core skills
- **Daily Arithmetic Aces** with a low-stakes quiz on Fridays to support
- **Adapted independent activities** to meet the needs of all children (addressing B-Squared targets)
- **Plus 1 and Power of 2 interventions** targeting children who have been identified as having difficulties with maths such as: dyscalculia and general cognition and learning difficulties.
- **Third Space Maths Tuition?** - 30 children identified (15 x Y4 and 15 x Y6)
